

BOARDING YOUR DOG

Our Facilities

Kennel runs are 6' wide by 12' long. They are inside a large barn with a breezeway that stays cool even on the warmest days. We have several huge exercise yards for the dogs to play and socialize in with shaded areas for resting. In the winter we have heated sleeping areas available.

Reservations/Registering

Please make reservations by phone as far in advance as possible. To register your dog for its stay you will need to provide us with information on your dog, its vet, and an emergency contact. We will also need to see your dog's vaccination records or a receipt from your vet indicating the dates of vaccination. **Your dog *MUST* be current on Distemper (5 or 7 way booster) Rabies, and Bordatella (kennel cough).** *No dog will be allowed into the kennel without proof of vaccination!*

Feeding

We feed twice a day, once at 8:00 am and again at 5:00 pm. We prefer that you provide your own food to keep your dog from any intestinal upset. It must be brought in a labeled, airtight container with a scoop. A "Vittle Vault" is the best container we've found. Please do not bring dishes. We supply stainless steel dishes and buckets that are easily sanitized.

Belongings

If you choose to bring a crate, bedding or toys for your dog, please make sure they are labeled with your dogs name. We do not allow tennis sized or smaller balls in the kennel. Please make sure whatever you bring is safe for your dog. Be aware that dogs may destroy bedding and toys while in the kennel. We cannot be responsible for lost or damaged items. ***Any items left at the kennel over 30 days become the property of the kennel.***

Exercise

Exercise for each dog is included daily. Social dogs may stay outside and play with other dogs for several hours each day. Until your dog is good with others, s/he will be exercised alone in 30 minute increments throughout the day.

Payment

Any dogs picked up after the evening feeding will be charged for that night as well. We accept payment via **Cash, Check or Credit card.** Payment in full is expected when you pick up your pet.

Kennel Hours

We are open Monday - Friday 9 am to 6 pm. We are closed on weekends and holidays. Arrangements for after hours pick up or drop off must be made in advance.
